

August 7, 2018

Greetings Food House Teams,

The Jamboree Food Team is pleased to share the Food House online application in English, French, and Spanish

https://www.surveymonkey.com/r/Food_HouseV2

https://www.surveymonkey.com/r/Food_House_Francais

https://www.surveymonkey.com/r/Food_House_Espanol

Your complete NSOs Food House application is due October 15th.

Here are some special notes regarding this process:

- Please study the worksheet **Food House Application Worksheet – Version 3 – June 2018** before beginning your application
- All informational documents have been updated on the website at <http://jamboreefoodteam.org/international-food-houses/> . I have added some specific rental equipment and trailer photos per the request of a couple of NSOs.
- We do have some experienced Jamboree Food Team volunteers willing to be specifically assigned to an NSO to assist you as needed. Please send an email to 2019jamboreefood@gmail.com
- You are free to TEST or PRACTICE with the application. Please enter the word TEST in several fields so we can easily delete the record.
- You can easily “copy & paste” text into any field.
- Starting in September, on Wednesdays of each week, I will send an acknowledgment email to all NSOs that have submitted an application.

Thanx,

Rick Diles, CCM | Team Lead - Food
2019 World Jamboree - Logistics Group
