2021 NATIONAL SCOUT JAMBOREE FOOD TEAM

We would like to continue to recruit dedicated Scouting Adult and Youth Volunteers to support our efforts. This will be an amazing event with new and innovative changes to the Jamboree program. I have seen just a peek and I am very excited.

The Food Team will be an integral part of the new experience and our efforts will impact Scouting for generations well after we have left our stage in this movement.

So, we need you to recruit NOW. We must continue our staffing process, so, please pass along this 3-minute survey to your friends and qualified youth to fill out!

Thank you for your commitment to serve. We will have several additional key members committed and their leadership will be announced soon.

Although we have started plans for the 2021 National Jamboree, in exactly 30 days, we will greet the "World" to the Summit and the 24th World Scout Jamboree. Remember we do not have the luxury of 4 years to plan the 2021 Jamboree and we need your help NOW recruiting your fellow Scouters to our team.

Stay tuned for more information and "**be in the know**". Oh... more to come on our recruiting patch seen here.
